1. I/we must ensure that the student logs in to Globalskolen learning platform at the latest September 12th in the autumn semester, and no later than February 15th in the spring semester. I understand that the student risk to be denied admission if deadlines are not met.
2. I/we must ensure that the student submit regularly, a total of 15 assignments in the semester. I am aware that the student may be in danger of losing the school place by repeated missing submission(s).
3. I/we agree that Globalskolen can use registered contact information to send relevant information, reminders in the event of late submissions, as well as automatic notification from Globalskolen systems.
4. I/we accept that personal data is stored in the Global School's administration system and in the Global School's learning platform.
5. I/we agree that Globalskolen deletes all personal and learning data at the end of the semester/school year.
6. If you unsubscribe during a semester, Globalskolen will keep paid tuition fees. Globalskolen deletes all student data/submission history immediately upon withdrawal.
7. Students who complete the 10th grade in the Global School receive a final certificate. The Global School stores an electronic copy for five years. After five years this is deleted.
8. Students who request it receive a certificate at the end of schooling at Globalskolen, regardless of age/grade level. Globalskolen stores an electronic copy for five years. This is then deleted.
9. Pupils with a confirmed admission to Globalskolen may not at the same time participate in other providers of supplementary education supported by the Norwegian state, including the Norwegian School LLC.
10. Pupils with a confirmed admission to Globalskolen must be registered for a full-time education offer at a local or international school and may not be affiliated with a Norwegian school or receive home tuition/other online tuition as part of their ordinary school offer.
11. If a student moves, or changes school after enrollment, Globalskolen must be notified immediately.
12. We confirm that the student is a Norwegian citizen and holds a Norwegian birth/social security number or is an EEA citizen. As an EEA citizen, it is a requirement that one of the parents has employment and residence in Norway.
13. We are aware that Globalskolen requires a deductible and are aware that the student risk to be denied admission in the event of non-payment of this.
